We hope you will come and celebrate with us our successive victories over the last several years. Our political, financial, and strategic successes continue to mount. We positioned our party to radically transform the political landscape of Colorado. As we look ahead, we're gearing up for the 2026 elections and will be recruiting a full slate of candidates, launching more community outreach, and crafting proposals for regulation reform and tax cuts—join us at the convention to celebrate these wins, shape our future, and unite as a powerful force for liberty.

Thank you for your support. I look forward to seeing you at the convention!

Sincerely,

James Wiley
Secretary
