## Pledge for Liberty

### Libertarian Party of Colorado

### 2026

1. In order to lower the cost-of-living for Coloradans, I will support the repeal of the 16th amendment to the US Constitution to abolish the income tax. \_\_\_\_\_
2. In order to return education to the local level and to the parents, I will abolish the Department of Education. \_\_\_\_\_
3. In order to preserve the purchasing power of the dollar, I will include auditing the Federal Reserve in my two-year congressional plan, and support efforts to revoke its federal charter. \_\_\_\_\_
4. I will audit and work to eliminate foreign aid spending in order to complete the work that DOGE began. \_\_\_\_\_
5. I will immediately work to pull any funding for foreign wars and vote against any future funding for foreign wars. \_\_\_\_\_
6. I will oppose a military draft, and abolish conscription under the language of the 13th Amendment, including the Selective Service. \_\_\_\_\_
7. In order to preserve the constitutional separation of powers, I will work to remove the presidential war powers and return those powers back to Congress. \_\_\_\_\_
8. I will recognize the egregious abuses by the US intelligence agencies, and work towards reducing their power with the goal of ending their espionage on American citizens. \_\_\_\_\_
9. I will protect whistleblowers, including supporting a presidential pardon for Edward Snowden or other such individuals. \_\_\_\_\_

10. I will actively oppose any federal action that seeks to infringe upon the First Amendment rights of free speech or freedom of the press, including any use of discriminatory criteria in the allocation of federal funding. \_\_\_\_\_
11. I will protect internet freedom by advocating for a presidential pardon for Roger Ver. \_\_\_\_\_
12. I will support transparency and security of the election process, including same-day, in-person, hand-counted, photo-ID voting. \_\_\_\_\_
13. I will vote to always protect and uphold the right to keep and bear arms. I will move to abolish all unconstitutional gun laws, including the NFA. \_\_\_\_\_
14. I will prioritize reducing the size of government and decentralize Federal power as outlined in the 10th Amendment. \_\_\_\_\_
15. I will support and uphold the freedoms afforded to the American people as set forth by our Founding Fathers in the US Constitution and Bill of Rights. \_\_\_\_\_

By signing this pledge, I commit to uphold these principles and actions as a federal candidate in Colorado for the 2026 election; acknowledging that these actions are the best way to make America a freer and more prosperous country.
