Key Issues

- Commitment to playing by the rules, from the Constitution on down to the Arapahoe County Home Rule Charter.
- Pushing back against any effort at any level of government to take peoples' money simply because the government authorities can.
- Pushing back on any attempt to saddle the taxpayers of Arapahoe County with debts which must be paid off with tax money.
- Honoring orders from the 18th District Court, and other judges of the Judiciary, regarding not taking any particular person's property.
