

Donald Vermillion
for State House District #62

Donald Luke Vermillion is a U.S. Army veteran, father, and lifelong advocate for those who have served. After enlisting following high school, he faced adversity (including homelessness in Newark during 9/11) that shaped his commitment to supporting veterans and working families.

In 2016, Vermillion stood with fellow veterans providing security at Standing Rock, demonstrating his dedication to protecting communities and honoring service. As a devoted father, he brings firsthand understanding of the challenges facing Colorado families.

As your representative for District 62, Vermillion will fight for veterans' services, economic opportunity, and the values that make our community strong.

Key Issues

1. Lower property taxes
2. Reduce state government spending.
3. Spending taxpayer money prudently.
