

Affiliates report :

Have attended most of Arapaho and Douglas county affiliate meetings  
Deactivated Denver meetup due to doesn't seem to be an affiliate anymore. The restaurant had no meeting space reserved and no one has been showing as far as i can see. I went up there twice to no avail.

We are starting a Loveland and Pueblo affiliate.  
Attended lpepc convention: new board elected. Good outcomes ,good attendance. Monthly board meetings have now been scheduled to abide by bylaws. This has been trouble some in the past.
